*No.* 1451.—In exercise of the power conferred by the proviso to section 4 of the Madras Hindu Religious Endowments Act, 1926 (Madras Act II of 1927), the Local Government hereby declare that all the provisions of the Act except section 69 (1) shall apply to the temple of Sri Mallesvaraswamivari at Jutur, Nandikotkur taluk, Kurnool district, the average annual gross income of which including the income from endowments connected therewith for a period of five years immediately preceding the commencement of the Act was less than Rs. 250.

*Fort St. George, September* 10, 1929
(*G.O. Ms. No.* 2105, *P.H.*).

*No.* 1452.—In exercise of the power conferred by clause (*f*) of sub-section (1) of section 5 of the Madras Medical Registration Act (IV of 1914), the Government hereby nominate Lieut.-Colonel E. W. C. Bradfield, C.I.E., O.B.E., I.M.S., and M.R.Ry. T. Krishna Menon Avergal, M.B.C.M., M.R.C.S., etc., to be members of the Madras Medical Council.

*Fort St. George, September* 10, 1929.

*No.* 1453.—The Board of Commissioners for Hindu Religious Endowments has brought to the notice of Government that the temples in the Kurnool district mentioned in the annexed list the average annual gross income of each of which is below Rs. 250 and which are thus outside the scope of the Hindu Religious Endowments Act, 1926 (Act II of 1927), are in a grossly neglected condition, that worship is not rendered to any one of them, that the lands of the temples are in the possession of one Ganapuram Venkatareddi Garu who is said to have assumed the trusteeship over them and that the accumulated surplus from the income of the temples is in his possession unaccounted for. In case the Hindu Religious Endowments Act is applied to these temples, the President of the Kurnool District Temple Committee proposes to take suitable steps to recover the endowments of the temples from Venkatareddi and to get the temples renovated and the services, properly rendered therein. In these circumstances the Board has requested Government to extend to these temples all the provisions of the Hindu Religious Endowments Act, 1926 (Act II of 1927), except section 69 (1) relating to the levy of contribution by the Board. Before proceeding further in the matter Government desire to ascertain whether any worshipper of these temples has any objection to urge against the extension of the Act proposed. If no valid objection is received by Government within a month from the date of publication of the notification in the District Gazette they will proceed to pass orders on the Board's recommendation.

## UNIVERSITY OF MADRAS.

### RULES AND DIRECTIONS FOR THE ADMISSION OF HOLDERS OF SECONDARY SCHOOL-LEAVING CERTIFICATES TO UNIVERSITY COURSES OF STUDY.

I. Admission of holders of Secondary School-Leaving Certificates to University courses of study in the academic year 1930–31 and subsequent years shall be made only in accordance with the following rules and directions.

II. Such holders only of completed Secondary School Leaving Certificates may be admitted to the University courses of study, and registered as matriculates under Regulation 1 of Chapter XXXI as (*a*) had completed not less than 15 years of age on the first day of the month in which the examination qualifying for such certificates is held, unless specially exempted from the operation of this age limit, and (*b*) have been declared eligible for such admission by the Syndicate.

III. A complete list of certificate holders declared eligible for admission to University courses of study will be published in the *Fort St. George Gazette*, and a copy of this list will be furnished to each Principal of a Constituent or Affiliated College. A certificate-holder not included in one of these lists will not be

entitled to registration as a matriculate under Regulation 1 of Chapter XXXI.

IV. In the case of certificates issued under the authority of the Government of Madras, those holders of certificates who qualify under the following rules will be included in the list of those declared eligible for admission to University courses of study:—

(1) Secondary School Leaving Certificate-holders shall be eligible for admission to University courses of study, who secure at the Public Examination (1) 40 marks in English, 40 marks in second language and 35 marks in Elementary Mathematics of Group A, (except Vernacular Composition and Translation, in the case of school pupils, who are excused by the Director of Public Instruction the study of this subject in Group A), and (2) 35 per cent of the marks in each of the two subjects selected under Group C, one of which shall be Algebra and Geometry, or Physics, or Chemistry, or Botany, or History of England and India, or a language, or Commercial Practice and Geography, or Agriculture, or Indian Music, or Western Music, or Geography, subject to the following proviso:—

A certificate-holder who secures in the aggregate 185 marks in the five subjects but fails by a deficiency of not more than one mark in each of two subjects, not of the same group, shall be declared eligible for admission to University courses of study.

(2) In the case of a Secondary School-Leaving Certificate holder, who has been exempted the study of Vernacular Composition and Translation the total marks required for the purpose of the application of the rule above will be reduced by one-fifth.

V. In the case of certificates issued under the authority of Native States within the jurisdiction of the University, similar standards for admission shall be applied.

VI. Any candidate for admission to University courses of study who in any year fails to qualify by reason of deficiency in any subject or subjects in which he has undergone examination will be required to appear again at the Public Examination in all the five subjects and his eligibility for admission will be determined according to the preceding rules.

* VII. Certificates once scrutinized, the holders of which were found to be ineligible under the rules in force at the time of scrutiny, will not be reconsidered for purposes of being declared eligible for admission to University courses of study.

VIII. The lists published annually in the *Fort St. George Gazette*, will contain the names of all certificate-holders found to be eligible for admission to University courses of study in a Constituent or Affiliated College under the rules and directions issued from time to time. It is, however, to be clearly understood that inclusion in the list confers on no certificate holder the right of admission to any Constituent or Affiliated College. The Principals of Colleges are at perfect liberty to restrict admission to such applicants as they may select and are moreover required strictly to confine admission to such eligible certificate-holders as, judged by their certificates, may be expected to profit by the particular courses of study upon which they propose to enter in the college selected.

Senate House, Madras,
2nd September 1929.

* *Note.*—School-Leaving Certificates issued prior to 1919 only will be scrutinized in this office. Such certificates should be received in this office between the 1st of January and the 1st of April of each year for scrutiny. Each certificate should be accompanied by a treasury receipt for a sum of rupees three, the prescribed scrutiny fee.

Under the above Transitory Regulation, candidates who qualified for a pass in the L.M. & S. Examinations of March-April 1921 *et seq*, may qualify for the M.B & B.S.
